Industrial Design

Education

BID: Industrial Design, December 2025
Michael Graves College, Kean University
Dean's List, Fall 2022 – Spring 2025

Experience

Digital Fabrication Lab Manager, Kean University, New Jersey
September 2024 – Present

- Operated and maintained Dremel, Raise3D, and Creality FDM3D printers to ensure performance and print quality
- Assisted students on 3D printing projects, providing technical guidance and troubleshooting support
- Restored eighteen Creality CR10S printers to working order after prolonged storage

Embroidery Technician, Jeb's Designs, North Carolina
May 2023 – August 2023

- Operated and maintained multiple industrial grade embroidery machines
- Created custom embroidered hats, shirts, and other products to client specifications
- Conducted thorough quality control on embroidered products to ensure durability and consistency

Engineering Intern, Titan Flow Control, North Carolina
May 2021 – August 2023

- Gained familiarity with various pipeline products (check valves, basket strainers, etc)
- Reviewed, edited, and updated engineering drawings in Autodesk AutoCAD to ensure accuracy and compliance with ASME specifications
- Printed, copied, and organized technical materials
